Who doesn't enjoy good beef jerky?

This is not the packaged stuff either. We have jars of beef jerky. Round Silver Dollars that families will enjoy for a good, healthy snack. Tillamook beef jerky has no trans fat, and is a very lean jerky with excellent taste. Four different flavors are available: Old Fashioned, Teriyaki, Black Peppered, and Hot Gourmet.

This is what we can offer your organization:

Beef Jerky:

Sell "Silver Dollar Jars", each containing 80 pieces of jerky. There are four different flavors available: Old Fashioned, Teriyaki, Black Peppered, and Hot Gourmet. Samples available upon request.

There is no upfront investment required by your organization. You can sell each of the flavors. Jars can be sold for your choice of pricing between \$20-27 each; which is less than the retail value that these jars are sold for in convenience stores. Our suggested pricing is \$25 / jar. Your cost is \$14.25 / jar.

Simple and easy to use order forms!

Ordering is simple and easy. The sellers for the group need to collect the money at the time of the sale in order for us to place the order. The orders only take about a week to 14 days to arrive, depending on the product. There is a minimum order to receive free shipping. Please ask for details.

This is an excellent opportunity for your organization. It's something new and different than most fundraisers!

Testimonials

I am extremely happy with the jerky fundraiser provided to my group by D & D Enterprises. Not only did we make a lot of money on this fundraiser, but the product is very good. I have had tons of compliments about the product. My Close Up group did a re-order because we had customers asking for more of the jerky. Dave was also very helpful in the whole process. I would highly recommend this product for any group that wants to make some money.

The Dickinson High School Close Up group used the Tillamook Beef Jerky fundraiser this past fall/winter to raise money for our annual trip to Washington D.C. and New York City. I was very happy with the results. We sold \$4,500 of product in a short period of time. The fundraiser went smoothly with quick delivery to our school. Shipping was done in a timely manner and we had the product in our customers hands a week after the order was placed. All in all, it was an outstanding fundraiser for our group!
